UPR Outcome – Malawi

Thank you, Madam President.

Israel takes this opportunity to warmly welcome Malawi again and congratulates it on the adoption of its UPR report.

Israel once again commends Malawi for the progress in its legislation, including in areas such as HIV/Aids. We recall our support for the development of plans related to promoting gender equality, ending child marriage and protecting older persons.

Madam President,

Last November, Israel presented three recommendations for Malawi's consideration and we are pleased that all our recommendations were accepted after the review.

We look forward to continue our close cooperation with Malawi and hearing the advances it has achieved. We wish them all the best in the implementation of the recommendations.

Thank you, Madam President.
