
UN Human Rights Council
UPR Working Group 29th Session, 18 January 2018

Luxembourg

Delivered by Mr. Brian E. Frenkel,
Human Rights and Humanitarian Affairs Advisor

Thank you, Mr. President.

Israel would like to welcome Luxembourg to the UPR, and to thank it for its report.

We acknowledge Luxembourg's progress since its last UPR, especially in the development of legislation regarding same-sex relationships; the establishment of the Centre for the Prevention of Radicalization; and the development of National Action Plans for Equality between Women and Men, among others.

Israel would like to make the following recommendations:

1. To ensure inclusive education and accessibility of health-care services and facilities for persons with disabilities.
2. To provide in legislation that racist, homophobic/transphobic or other hate motivations constitute aggravating circumstances for any ordinary offence.
3. To define and criminalize all forms of sale of children and child prostitution.

Finally, Israel would like to wish Luxembourg a successful UPR.

Thank you.
