

The meeting of **Water and Cyber Security - Protection of Critical Water Related Infrastructure - Part II** will take place online through Zoom on 13 April 2021 from 14:00 to 17:00 CEST.

More information about the meeting can be found [here](#).

Here are some useful tips regarding the usage of the platform.

### **Downloading Zoom application**

To have all available features, please ensure to have the latest version of Zoom desktop application (Zoom Client for Meetings) installed on your computer before the meeting. The latest version can be found on the [Zoom download center](#) webpage. If you download a new version when you are already in the meeting, you will be signed out automatically from the meeting and you will have to join again. We highly recommend you to check for updates regularly.
