

Certificate showing Israeli Citizenship (Hebrew/English)

Required Documents:

1. [Citizenship Certificate Request Form](#) – Completed and Signed:
 - Indicate if you want to verify the certificate with an apostille stamp
 - The request form should be fully completed and signed by the applicant. There are two methods for signing the application form:
 - i. **Method 1**: In person at the consular department.
 - ii. **Method 2**: In front of a notary public and an [apostille stamp from DFAT](#).
2. Photocopy of an Israeli Passport:
 - **Method 1**: Signed by the consular section
 - **Method 2**: Signed by a notary public
3. Bank transfer confirmation ([fee chart](#) + [bank transfer details](#)):
 - A fee is needed for the issuance of this certificate
 - Apostille stamp – if needed
 - postage fees within Australia
4. Full postage address within Australia after receiving the certificate + contact information (Mobile number + Email address)

Additional Comments:

- If the application form is signed at the embassy (**Method 1**), you are required to book an appointment before visiting with an Israeli passport and a completed application form.
- If the application form is signed in front of a notary public with an [apostille stamp](#) (**Method 2**), the application must be sent by registered mail to the consular department:
