Certificate showing Non-Israeli Citizenship (Hebrew/English)

Required Documents:

1. [Non-Citizenship Certificate Request Form](#)- Completed and Signed:
   - Indicate if you want to verify the certificate with an apostille stamp
   - The request form should be fully completed and signed by the applicant. There are two methods for signing the application form:
     - i. Method 1: In person at the consular department
     - ii. Method 2: In front of a notary public and an [apostille stamp from DFAT](#)
2. Photocopy of a foreign Passport:
   - Method 1: Signed by the consular section
   - Method 2: Signed by a notary public
5. Bank transfer confirmation ([fee chart](#) + [bank transfer details](#)):
   - A fee is needed for the issuance of this certificate
   - Apostille stamp – if needed
   - postage fees within Australia
4. Full Shipping Address in Australia After Receiving the Certificate + Contact Information (Mobile number + Email address)

Additional Comments:

- If the application form is signed at the embassy (Method 1), you are required to book an appointment before arriving with a valid passport and a completed application form.
- If the application form is signed in front of a notary public with an [apostille stamp](#) (Method 2), the documents must be sent by registered post to the consular section:
