Consulate General of Israel in Hong Kong and Macau

January 2014

Dear friends,

In this edition of our Magazine, we will give an update on Israel's latest development in mobile phone game design and medicine that is available in Hong Kong.

A notable event - Israel Innovation Conference - will be held in May in Tel Aviv. It will be the first in the world where biomed and high-tech will join hands in a unique and exciting new international conference format.

I wish you a prosperous new Year of the Horse!
恭祝各位新年進步、身體健康！恭喜發財！
