Consulate General of Israel in Hong Kong and Macau

December 2014

Dear friends,

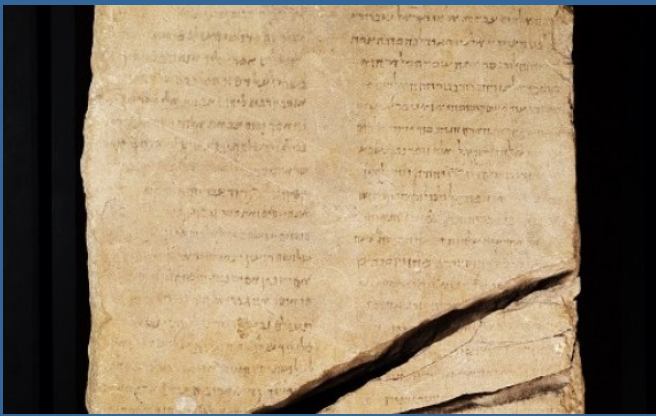

As 2014 is coming to a close very soon, I would like to thank you for following our Magazine, in which we try to put together news of Israel that might interest you.

This has been a very fruitful year for the Consulate, especially in the economic and cultural aspects, with many events and activities.

I highly recommend you to take the opportunity to see the exhibition *Temple, Scrolls and Divine Messengers: Archaeology of the Land of Israel in Roman Times* at the Asia Society Hong Kong Center. It is truly unique and rare.

I wish you a Prosperous New Year, Merry Christmas and Happy Hanukkah!
