

COULD YOU TELL ME MORE ABOUT YOUR VISA OFFICES?

The Embassy has trained and authorized **3 visa offices** to accept visa applications on its behalf.

Not only they are aware of the requirements and fees, they can help you ensure your application is complete prior to submission and prevent unnecessary back and forth.

They are also able to assist with compiling documents for other services, under the guidance of an Embassy official.

From our experience, applying for a visa through a visa office enables a quick and efficient service.

we have 1 visa office in each of the following locations: Dar es Salaam, Kampala & Nairobi.

Their contact information is in page #8

*Citizens of Seychelles that are in need of service from the Embassy can contact the visa office of their choice
