

## **IMPORTANT NOTICE FOR ALL TOURISTS**

Following the spread of COVID-19 (Coronavirus) in different countries around the world, Israel is taking a series of measures and restrictions regarding the entry of visitors from all countries:

**1. Starting from Thursday March 12, 2020 at 20.00.** Visitors of all countries will be allowed entry **ONLY** if they can prove that they will be staying in a private apartment during the period of 14 days.

**A stay in a hotel will not be regarded as home isolation.**

**2.** All visitors must declare the accurate address for their stay in Israel in advance through one of these two options:

A. Prior notice, via email, several days before the scheduled arrival date, to the Consular department at the Embassy of Israel in Sweden. The message should be submitted with the following text in Hebrew or English:

I, Mr / Mrs..... intend to visit Israel between the  
dates..... aboard the flight.....  
I hereby declare that upon my arrival in Israel I will be in house-isolation at the house  
of.....  
Address .....  
Email.....Cellphone.....

B. If the visitor fails to notify the Embassy in advance he/she may make the statement at the airport, in migration control, stating where he/she will remain in house isolation.

Tourists currently in Israel are requested to follow the instructions of the Ministry of Health:

A. A tourist who is not feeling well and / or develops the symptoms of the virus (fever, cough, rhinitis, headaches and chest pains) is requested to contact the Magen David Adom telephone center: 101

B. Tourists, as well as Israeli citizens, are advised to take extra caution of personal hygiene, and avoid greeting with a handshake.

**3.** Israeli citizens returning to Israel must remain in house isolation 14 days.
